

# VIKING RENTALS

PORTABLE TOILET SPECIALISTS

## WHO WE ARE

### Dependability, Flexibility, Quality and Convenience

From toilets and showers, hydration solutions, cleaning teams, liquid waste to on-site management, Viking Rentals provide complete solutions for every type of event, no matter how big or small. As a nationally trusted, leading supplier of onsite temporary toilets and liquid waste control, we service some of Australia's largest multi-day festivals and events. We work with you to ensure your event is hassle free.

Its no secret that the quality of on-site toilet facilities are a major discussion point at any major event, festival or corporate function. To ensure you make the right impression, you need the experience, expertise and dedication to quality that underpins the envied reputation of Viking Rentals.

- Sustainability friendly, designed for refilling bottles, cutting down on single use plastic waste

## SPECIFICATIONS

**DIMENSIONS:** Height 1.2m x Length 2.28m

**WEIGHT:** Approx. 45kg

# CATERING SINKS

Manufactured from food grade stainless steel, the perfect solution for providing hot & cold water sinks at your event. To achieve council approval for your temporary catering set up, or just water for your staff, we have several different options to choose from.

The sinks can be connected to the main water mains or run off a fresh water tank and pump. The dirty water is drained into a sump bucket, and then pumped into a grey water tank located nearby. An electric or gas hot water system can be connected, providing hot and cold water.

## DOMESTIC TWO BOWL SINK WITH HAND WASH BASIN

### SPECIFICATIONS

LENGTH: 1.4m  
WIDTH: 510mm  
HEIGHT: 920mm

# ADDITIONAL PRODUCTS & SERVICES

Anything else you require to make your event work? Viking have an extensive range of additional items & services available.

- LED lights/ Solar lights
- Temporary fencing (with or without scrim) - 2.4m x 1.8m
- Blocks/weights 26kg
- Bracing stays (require when scrim is used)
- Crowd control barrier 1.2m high x 2m long
- Amphibian 15amp to 10amp adapter
- Sanitary bins
- Consumables for your event
  - Toilet paper
  - Hand towels
  - Liquid Soap

## CLEANING ATTENDANTS

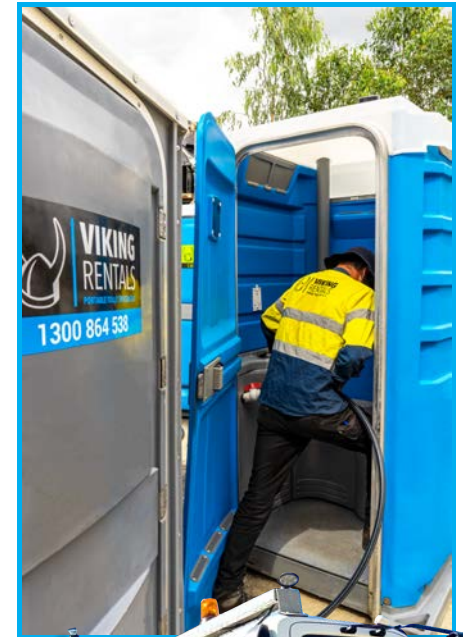

Trained toilet cleaning attendants to keep the toilets clean, inviting and replenished with stock throughout your event. Depending on the size, nature and layout of the event, a ratio of one staff member for every thirty toilets is recommended.

## VIKING TECHNICIAN

On large and multiday events, rest easy with a trained Viking Technician. Capable of looking after your above ground plumbing requirements (not gas), Viking Technicians know the in's and out's of all our equipment and can troubleshoot and repair issues if they arise.

## WASTE MANAGEMENT

At large festivals, no matter how many toilets are provided, it sometimes becomes necessary to pump out during a live event. We have a range of waste management vehicles in a variety of sizes. We have Tankers ranging from 800 litres to 27500 litres. No event is too big or small for us.

# National Strength with Local Care

Thousands of toilets and a large fleet of delivery and service vehicles covering a wide range of areas throughout Australia, including:

Adelaide	Central Coast	Hervey Bay	Northern NSW	Sydney
Brisbane	Gold Coast	Melbourne	Perth	Toowoomba
Canberra	Gympie	Newcastle	Sunshine Coast	Wollongong
